

REMARKS

Applicant's undersigned attorney wishes to thank Examiner Carter for the courtesies extended him at the interview on May 15, 2007.

During the interview, the Examiner suggested that the claims be further amended to clarify particularly the engagement structure that allows the selected exposure of sheets as one grips the book and flips therethrough.

The claims have been amended as suggested by the Examiner. An early and favorable Action on the merits is requested.

Respectfully submitted,

By
